September 13

10 am In the Meeting House?

Hopefully Homecoming

The Rev. Rali Weaver will Preach

It is hard to know what will happen between now and September 13 but we hope we will be back together. This will be a celebration of our community followed by a church potluck on the green.

From Our Minister: The Rev. Rali Weaver

This spring has been unpredictable. All events that were planned have been rescheduled. A feeling of endings and, if we are lucky, beginnings have been lurking in our hearts and consciousnesses.

I try hard not to think of the things we have lost: the birthday plans, the concerts, coffee with friends, dinner parties, the face-to-face Sunday worship and social hour. I instead celebrate the things I have gained: Zoom conversations, virtual worship that can be watched when people stay at home, more time for reflection and reading, our new puppy and plenty of time to train her.

It is hard to imagine how we will re-emerge from this pandemic. What businesses will be lost, how much regression students will experience, if any of you will want to wake up on Sunday mornings and come to church again once the possibility of asynchronous worship has diminished. Now the question is how to make something real and engaging available online. Then the question will be what if we continue some things online for those who prefer it or are unable to make it to church?

Every day since the stay at home order was put in place I have meditated from 9-9:25 on Zoom. Usually one person who lives at Sophia Snow House (where I am on the Board) meditates with me and more recently my friend from Main Joins us. Meditating every day at 9-9:25 is something I think I will continue even when this epidemic has passed, no matter who shows up.

The live stream worship is watched by my family and friends who can rarely see me in person. Even my penpal from San Quentin and his family members have been trying to log in. Finding ways to share our worship with a wider audience and with people who care would be a wonderful addition to the regular worship service once we are able to return to the Meeting House.

Nothing beats being able to sing with your family and friends in person and having a wider circle of caring people available to share worship with each week. I hope that will all be available again in September, but what I have been realizing is that the church is more than just worship and more than just religious education or social hour. It is this bond between us that remains even in these isolating hours. I hope you will reach out if you need anything during this time and remember you are loved and appreciated and cared for even at this distance.

Love Rali

Rev. Rali M. Weaver on zoom 9-9:25 <https://zoom.us/j/684365896> for meditation

From our Director of Religious Education: Grace Peña

It has been very strange here at First Church. The only smiling face I see occasionally is Rali's, there is no one to tell not to run in the halls (which is not a bad thing), no one asking me what we are doing in class and no one to eat our Cheez-its:(I miss all the kids' faces, smiles and laughter.

With the closing of church for the rest of our church year, there will be no Coming of Age service nor will there be a Children's Sunday service which makes me sad. Hopefully, when we return to church we can reschedule these missed services.

Please know that you are all in my heart. During this time, please help your children to remember our 7 Principles:

- #1: We believe each and every person is important
- #2: We believe all people should be treated fairly and with kindness
- #3: We accept all people and we believe in learning together
- #4: We believe each person is free to search for what is true and right in life
- #5: We believe everyone deserves a vote about the things that concern them
- #6: We believe in working for a peaceful, fair and free world
- #7: We believe in caring for our planet Earth and every living thing that shares it with us.

Our UU Youth also have their own credo that is different from the one we say during service. It is: We are Unitarian Universalists, With Minds that think, Hearts that feel and Hands that are ready to serve.

Remind them of this one. You'll get a kick out of what they add to it!

I'll be sending suggestions for activities in our weekly church email. If you do not receive that please contact the office at firstchurch@dedhamuu.org and I will make sure to add your email address to the contact list.

Stay safe and be well.

With love, Grace
