

Dear First Church Families,

Tommy the Turtle has been a part of our Spirit Play classroom since 2010, welcoming new children who may be feeling shy. He has been feeling a bit lonely since our Religious Exploration program is taking a break for Covid safety. So he would like to visit YOU! Will you welcome Tommy and his traveling chalice into your home for a few days?

What to do:

- ★ Sign up to host Tommy for a few days or a week.
- ★ When Tommy arrives, give him a Wonderful Welcome! Show him around your house and introduce him to your family members. Give him a safe and cozy place to sleep.
- ★ At meal times, light Tommy's chalice and have each member of your family share something they are grateful for.
- ★ Write these things in Tommy's journal. You can also draw some pictures of Tommy's visit.
- ★ Contact the next person on the sign-up list and bring Tommy and his chalice to their next host family.

Enjoy this special activity to stay connected with your First Church family!
