### **Cultivating Flexibility and Spontaneity**

The Rev. Rali Weaver will preach.

This day we will try to remember the values of flexibility and spontaneity after a time of Covid restrictions. We will consider ways to practice flexibility and spontaneity so that we don't lose the important skill of improvisation.

A discussion will follow worship.

**From Our Minister: The Rev. Rali Weaver**

It is difficult to predict when our church will return to the normal fun and activity we had before Covid times. However, there are a few gifts of these Covid times that are impossible to ignore. For one: the live streaming and zoom social hour that are available to those who cannot get out due to illness or health precautions. Even my father and sister and the Cecils, who moved away, can catch our services from time to time. We are also going to begin sharing Online Adult RE classes with local congregations so that we might increase both opportunities and attendance at online Adult RE events. Innovations like this one have transformed operations for small churches like ours.

I had a seminary professor (who was also a Catholic Nun) who recounted a time when she had broken both of her legs, and she realized she could ask “Why me God; why is this happening to me?” or “Oh God, what can I learn from this time of restriction?” I believe our Covid times are giving us an equally good opportunity to choose to see the glass as half empty or half full. I know that I usually think the glass is half full, but this long drought with Covid restrictions has left me less optimistic. I hope to spend the coming months reflecting upon ways to help us reintegrate our minds so that, when our bodies are safe to be together again, our brains can catch up more easily.

To increase camaraderie, we will be having zoom and in-person conversations following worship during January and February. While we will be worshipping in the Parish Hall to save fossil fuel, we will have the opportunity to socially distance and speak directly to each other more easily than we do in the sanctuary. While there is no way to really know what our church will be like when all threats of Covid are gone, it is essential that we try to stay connected during these uncertain times.

I know I can't keep us connected or make us a church all by myself, so I ask that each of you reach out to your church friends by phone and letter to keep our connections going. I will continue the Nature and Nurture walks on the fourth Saturdays of the month throughout the winter, as well as the daily zoom check-in and Meditations every morning from 8-8:30 am. We are increasing the Readers and Writers workshop to every week on Wednesdays from 5-6 pm. This will give us another opportunity to check in and share ideas in a safe way. If you have an idea for an Adult RE class or gathering you would like to offer your fellow parishioners, please let me know. I can give you a zoom link and help advertise to help you get started. In February I am also starting up the Justice Documentary Film Series. We will watch the films asynchronously and then have discussions about them. All the information about these events is in this Parish Record and in the all church email each week. The information can also be accessed by emailing me or the church office.

I hope none of you feel lonely or isolated during this time. I want you to know I am here if you need an ear or a friend. I also want you to feel comfortable reaching out to each other and/or attending these daily, weekly or monthly meetings.

## Parish Record January February 2022

### First Church Parish Committee Meeting Notes, Tuesday, 10/4/2021

Attendees: Josh Langmead, Jonathan Pape, Debbie Harrison, Rali Weaver, Erik Meyer-Curley, Geoff Tegnell, Kerrie Gallagher, Howard Ostroff, Kayla Schneider, Matt Grady, Paquita Bass

**Call meeting to order** at 7:05 PM on October 4<sup>th</sup>, 2021

**Gratitude:** Rali is grateful for the Allin/First Church photo in support of the Human Rights Commission. Howard loves the fall weather. Erik is grateful for the convenience of meeting on Zoom. Debbie is grateful that Matt Grady has joined the PC as the new Deacon.

**Welcome New Members:** Welcome to Matt Grady who will fulfill the last three years of Jen Atkin's deaconship. Matt will be a voting member of the PC until his nomination is approved by the congregation at the Fall Meeting.

### **Review and Approve:**

1. Minutes from September 7, 2021 meeting (requires approval); In the Minister's Report, Rali has cleaned up from several floods. Really only one. And Mason Miranda is not Mason, Miranda. Coffee hour groups need to be specific as to next month. Review action # 3 C. Committee Review: Debbie did not sign up for Committee Review. The Treasurer's report # 3 making future estimates will be handled by Buildings and Ground. Jon wants to be on Committee Review and will help Geoff with demographic data. The meeting minutes for 9/7/21, as revised, were unanimously approved.
3. Treasurer's Report (requires approval): On line 26, indication that we have 27% of our pledges which indicates that we are on target. Bills have been paid and we are in good fiscal shape. \$32,000 is on the wrong line. There was concern about the accuracy of the amount of \$ in the restricted fund. We don't have an accurate # and need to have some parsing out of a way to track this \$ easier. We should make sure that there are no duplicates in the fund raising line as well. Minister's Report: Kerrie Gallagher, Deb H and Linda MK have been helping in the office. Deb H, Erik and Rali are working on the budget. We had our first meeting in the meeting house and Tom D assessed the CO2 levels in the church as safe. Tom has advised us about fans and filters to make the building even safer. Rali is arranging meals for Vicky B and Grace P. The Catholic, Episcopal, and Allin Churches are working with First Church to help Afghan refugees settle in housing in our town. Rali would like the church to provide her with a letter of agreement to be a spokesperson for more supportive actions in favor of refugees. Grace is still working for us and Rali is helping her determine how to come back full-time. Rali is asking that Grace be paid full-time until mid-October. Some of us would like Rali to take a more forefront role in supporting important causes. For instance, the above three churches have announced their support for refugees, but it may be important to first have the PC vote on the church being more vocal about assuming such a humanitarian role. This probably requires a full congregational vote. Josh suggests that the congregation vote on this new role at our fall meeting. We will take a Parish Committee vote on submitting this to the Congregation when next we meet as a PC on 11/1.

### **Action Items**

Committee Review: The committees met in break into rooms to make next step plans.

### **New Business**

1. DRE: The Personnel Committee has made a plan for responding to Grace's illness. Grace will continue to receive her current salary until the end of October, when, hopefully, Grace will return to her office duties. The RE program will be supervised by the RE committee and the current assistant, Lisa Pilat. At the end of October, Grace's position will be adjusted according to her health and her work desires. Her salary will be adjusted as appropriate. Lisa

## Parish Record January February 2022

doesn't want to be a DRE, but will continue to step in as a replacement for Grace until a new DRE is hired at the end of 2021-22. We will pay Grace \$24 an hour after 10/15 for the work she does. We will look at Grace's situation in mid-church year. Grace's wage plan was passed unanimously.

2. The Revised budget cuts of \$2000 for 2021-22 was discussed, with mention of a more accurate trash removal debit and a lowering of \$2000 to the UUA, as well as a correction on Grace' salary. We will present the changed figures to the congregation in November.
3. Returning to the Meeting House: Tom Donaghey assesses the meeting house ventilation as healthy, so Rali suggests that we return to the meeting house for the rest of the cold months of the church year. Andrea mentioned the expense of having church in the meeting house for the winter months. Since Delta is not hitting our region in a dramatic way now, we can feel more comfortable about worshiping in the meeting house. Howard hopes we can live stream all inside services to include those who are reluctant to attend church in person. Meeting inside through December in a safe way with good live streaming was approved unanimously.
4. Annual Meeting Warrants: Dates so we can contact auditors and choose a moderator. December 12<sup>th</sup> is a good date for the Annual Meeting. The deacons have planned to get their report to the auditors by November 1<sup>st</sup>. Erik will get a due date to Jenny. Thus November 1<sup>st</sup> should be our document due date. We will check in on this at our next PC meeting.
5. Holly Faire Committee: The Allin and St. Paul's churches have asked to hold their fall fairs on the Green along with First Church. Some of us are concerned about the cold in December. We can still do most of our sales inside. Rali will explain our desires to coordinate with the Allin and St. Paul's churches, but as we have determined is best for our congregation.

### Next Meeting

1. Monday, November 1, 2021 at 7:00pm

**Adjourn** at 9:04 PM on Monday, 10/4/21

Respectfully Submitted,

Geoff Tegnell

Clerk, First Church and Parish in Dedham

#### Review and Approve:

1. Minutes from October 4, 2021 meeting (requires approval): After 10/15, we will assess Grace's work investment.
2. Treasurer's Report (requires approval): Eric is concerned about how the budget is expressed. He is attempting to express the fact that we are within 33% of our budget expectations. We are 33% through the church year, regular monthly income & expenses (salaries, utilities) should be at around 33% of the budgeted amount. A parking rental is not being collected. Rali will check this out. Building use: we are zeroed out. Eric will communicate with Rali about parking rental.
3. Revised Budget cuts: Lowered contribution from UUA and by resigning Grace's commission as DRE, we lowered our contribution by \$9000.
4. Minister's Report: Please sign up for Ministry evaluation. Rali has met with the RE community and will take on junior worship associates. Grace is coming in for one day a week Rali is concerned about maintaining worship in the meeting house. The Allin Church preacher will preach on the next Sunday. For the annual meeting: Are we to do this in person or virtually? How about 12:30 PM on the appropriate Sunday? Rali will oversee the online (zoom) voting.

#### New Business

1. Annual Meeting (actually this is the Special Fall Meeting of the Church and Parish)
  - a. Date/Zoom vs. In-Person The Special Fall meeting of the Church and Parish will take place on December 12th in person and on Zoom.
  - b. Warrants: Geoff will fill out the warrants to include: Date December 12. in person and on Zoom <https://us02web.zoom.us/j/76689822>. The items on the warrants will include: to hear and act upon the audits of the Parish Committee and Deacons Reports and hear and act upon the revised budget for 2022
  - c. Moderator: Rali is going to reach out to Sharon Lane
  - d. Parish Committee Statement of Conscience/ Social Directives. We have decided to inform the congregation of the Parish Committee's decision to take a stand on issues of social conscience as needed at the Annual Meeting
  - e. Budget: the revised budget will be presented at the special fall meeting on December 12th
2. Ministry Review: So far the Ministry Committee has 20 people signed up for the Ministry Review. Several people will have one-on-one interviews with the committee because they are busy next week or prefer not to talk in a group. Those who haven't signed up, please let Rali know and she can help them get on the list. The first part of the ministry review will be discussions about the ministry of the church taking place November 2 and 4th 7-8 pm on zoom and Sunday November 7th after worship in person.

## Parish Record January February 2022

3. Winter Services: Rali proposes that we continue to meet in the Meeting House through the winter. She knows that this might be cost prohibitive with oil but believes the benefit for visitors, for long term members who feel comfortable coming out, and for the health and spiritual wellbeing of the congregation, it would make sense to return to the norm. **We will send out a survey next week asking parishioners if they wish to continue worshipping in person in the Meeting House through the winter.**

4. Dropbox Check-in: **we tabled this until next meeting.**

### Action Items

1. Sub Committees: Short meetings: All below groups held short meetings.
  - a. Committee Review:
  - b. Ministry Review:
  - c. Long Range Planning:
2. Portraits Next Steps: This discussion was postponed till next time.

### Next Meeting

1. Monday, December 6, 2021 at 7:00pm

**Adjourn** at 9:00 PM on 11/1/21

Geoff Tegnell, Clerk for Parish Committee

### First Church Parish Committee Meeting Monday, January 3, 2022, 7:00 Meeting

Attendees: Josh Langmead, Jonathan Pape, Debby Harrison, Rali Weaver, Erik Meyer-Curley, Geoff Tegnell, Kerrie Gallagher, Howard Ostroff, Matt Grady, Paquita Bass, Andrea Gilmore

### Call meeting to order at 7:06 PM

**Gratitude:** For the New Year and a healthier 2022; for the return of JT from a dog sledding adventure, for Xmas with healthy family members; for extended family who strategize how to see each other safely; for healthcare workers who are doing a good job taking care of others; for siblings who help out with family member illnesses; for Rali feeling better and Jenny pitching in on last Sunday; for Kayla Chicoine's service to the church, appreciation upon her resignation from Parish Committee.

### Review and Approve:

1. Minutes from December 6, 2021: meeting (requires approval) Questions about meeting the \$8K number for building use, but we are concerned as to the impact of Covid. We are receiving no negative feedback about our new increased prices. We agreed to pay Mark Brooks \$250 and Howard hasn't seen the check. Andrea will make a check request for this amount to Mark. Rali will take care of this tomorrow. At winter services we need to have under rather than over 40 attendees. Minutes with above revisions were approved unanimously (with Jon as an abstention because he was engaging in child care at this time.)
2. Treasurer's Report (requires approval): Erik says that the numbers of income are not up to date. Salaries reflect changes in Grace's salary. Erik discussed questions about accounting for pledges for 2020-21 versus 2021-22. Andrea is concerned about separating \$ from 2020-21 and 2021-22. Erik thinks that these funds need to be properly labeled and that corrections need to be made to make sure we don't count \$ twice. Erik will do the appropriate corrections. We do not need the Congregation to revote on 4793 (out of last year's budget) and we need the auditors to

## Parish Record January February 2022

okay the change. We are presently clarifying budget lines 4701 and 4792. Erik will make the necessary change after consultation with the PC chairs and the deacons. Andrea also has concerns about accounting of restricted and the minister's equity funds numbers. We will continue to work on this in February after Erik pulls what has gone into and about of that fund. Then we need to consult with Jenny about how to account for these Parish Committee funds and Erik will look for the missing \$16K.

3. Minister's Report: Rali was sick on Sunday and realizes she needs to train others to set up the Zoom. Xmas Eve might be healthier on the Green. Rali will continue meditation and the writer's workshop. She will stream the justice films so folks can see and comment on them at home. The Ministry Committee is compiling the results of the Appreciative Inquiry. Rali is planning her sabbatical for next year.

4. RE: No children's classes because of Covid and will hold classes when students are less imperiled by Covid.

### New Business

1. January /February/March Services: In January we will meet in the auditorium. There will be no choir in January, but Darry will play instrumental music. We will wait and see about February and March.
2. Review Budget Projections: Need is to start preparing for this spring's Stewardship campaign. We are currently 4% over budget. Members were concerned about potential snow clearing costs. Debbie pointed out that \$1000 will come in from the December Jon Muratore concert.
3. Stewardship Committee: We need to get the Parish Committee more involved with the Stewardship Committee. Parish Committee members might make testimonial videos about why we contribute pledges to First Church and also help with accounting of the pledges that come in. In April Parish Committee folks will make calls, based on March numbers. Howard and Kerrie will help Rali with setting up this campaign

### Action Items

1. Dedham School of Music needs new space. They would like to use First Church. Jon would help facilitate music lesson space for the kids. The Building Use Committee has to decide on pricing. (Bay State Learning Center isn't in the dining room and auditorium in the Parish House on Friday.) Rali can talk with Jon about rooms that aren't used during the week as well as after 4 PM. We are talking about one-on-one music lessons. Jon will get the numbers and come to the Building Use Committee ASAP. Community Band also needs space (auditorium?)
2. Next Steps Portraits: Compile a list of portraits, create a history of the individuals in the portraits, collaborate with the DHSM to research historical background of ministers, and then, based on what emerges, we will have an opportunity to do further planning. We will transfer the archives we have to the Harvard Divinity School archive in January/February and come up with a history of the ministers in question to share with the congregation in order to determine next steps.

### Next Meeting
