**Sunday, October 22, 2017**

**The Rev. Rali Weaver will preach**

Is time a human construct or something real that we all have to deal with? We will celebrate all soul’s day as part of worship; everyone is invited to bring a picture or memento to share as part of worship.

## From Our Minister

On August 20<sup>th</sup> we held a Peace and Love vigil in light of the Charlottesville protest and tragedy. Nearly 200 people attended and heard as various people from the community shared their concern for the state of our nation and world. It is encouraging to see how much wider our circle of concern around issues of fairness and liberty extend, and I hope that many of you feel the sea change in your own life

It is hard to imagine how we felt about the world only a year ago, at the end of President Obama's eighth year term, and how differently we might feel now after 8 months of President Trump. In reality the issues of racism, gun violence, hatred and bigotry and hatred have been part of our nation's fabric all along. While the Civil Rights Campaign of MLK's Day, had its triumphs, we have all been awakened by the ugly face of the Klu Klux Klan and Alt Right's hold on many of our fellow citizen's imaginations.

As a religious community that holds fast to a belief in the inherent worth and dignity of every person, we all wrestle with how to hold even the most egregious actions and theological justifications in the light of love. I believe this is our biggest challenge in the face of Charlottesville. How do we stay open to the light of love in every situation and in every circumstance? How do we encourage the best in each other? How do we raise up kindness and consideration no matter what comes to pass?

The benediction I have said to this congregation nearly every Sunday since my call to this parish is "Fix Lord our steps, so we stagger not in the uneven motion of the world, but go steadily on our way, neither censuring our journey by the weather we meet, or turning aside from anything that might befall us." This prayer speaks to our need to hold fast to our principals in any storm.

This was the prayer offered as a benediction every week by The Rev. Fred Lipp the minister at the First Parish in Portland, Maine that I attended when I was in my early twenties. I later learned, while serving as Assistant Minister at King's Chapel (in my 40's) that the prayer originated in the 1745 Book of Common Prayer, which is the King's Chapel Prayer Book. The Rev. Fred Lipp who I so admired in my youth had served his internship at King's Chapel.

There is a cyclical nature to everything in life. Just as the earth rotates around the sun, only to return to the exact same spot every 365 days (or there about), so too even our efforts to love our neighbors more fully is never fully realized. It is a cyclical and sometimes tidal evolution toward and around our ideals.

Fred Lipp used to make the sanctuary of First Parish in Portland Maine into a sort of labyrinth. He used it to represent the constant effort and ever centering and then moving away from center that is our spiritual quest. I believe the labyrinth journey works equally well as a metaphor for our efforts to achieve any goal including our justice seeking quests.

Let us not lose heart but open more and more to love amid every storm we face, confident that if we keep on walking the sun will shine again.

Love, Rali

## From Grace Peña- Acting Director of Religious Education

It's been a very productive summer in our R.E. spaces. The upstairs *Nursery* and *Spirit Play* classrooms were painted and had new lights put in. The floors in the upstairs hallway and the stairs were also painted, and, lastly, our beautiful logo has been added to the wall at the top of those stairs. It all looks fabulous!

The first step in the new outdoor play space also happened this summer. The ground was cleaned up, weeded and a clean wood chip ground cover was placed. We will begin the next step of building and installing the new activity structures and adding toys for the kids to enjoy. I am also looking forward to being able to have some Sunday classes held outdoors (weather permitting, of course) in this space.

I cleaned up and moved out the furniture and toys for both upstairs classrooms and am getting new supplies for our new church year. I am so excited for the kids and adults to see the new spaces!

I have added the new 2017-2018 R.E. Registration form to the church website and to our All Church Emails so parents/guardians can easily access the form online. I will also have forms and sign-ups available at our homecoming service on Sunday 9/10/2017. Please look for me at the picnic after service to get your registration sheets.

I am filling in the R.E. calendar with activities, Cool Deeds and special classes. September through December will see our regular *Spirit Play* class meet, our *Grades 1-6* meet and *O.W.L. 7-9* will continue the last half of their curriculum. In January there will be a new *Neighboring Faiths* class starting, *O.W.L. K-1* with Tom Donaghey and Kerrie Gallagher facilitating and a new *Coming of Age* class.

Lastly, this year will see a shift in our youth groups. I will be overseeing the planning of and meeting with the groups. I'm looking forward to getting to know our Middle Schoolers and High Schoolers even better. I plan to have an email out to the parents of students in these groups soon so we can start to get activities on the calendar.

It will be a great year and I can't wait to get started!

As always, if you have any questions, suggestions, and/or concerns regarding Children's Religious Education at First Church, please feel free to contact me at [gracepenadre@dedhamuu.org](mailto:gracepenadre@dedhamuu.org).

With love, Grace

Grace has office hours Sundays 8:30 am-12:00 pm, Tuesdays-Fridays 9:00 am-2:00 pm. You may reach her at [gracepenadre@dedhamuu.org](mailto:gracepenadre@dedhamuu.org) or at 781-801-9857

## From Donna Dolham our Ministerial Intern

Beginning Again... Fierce Hope and Radical Love!

September begins another wonderful year with Frist Church and Parish as we enter the second year of my ministerial internship. This beginning also heralds a new president, new leadership and intentional embodiment of our principles in our Unitarian Universalist Association as we continue to name and do the work around dismantling white supremacy.

As I look over the blueberry fields that are just beginning their transition to blazing fields of red, I am reminded of First Church and Parish's commitment to our UU principles, to the action of being shoulder to shoulder with others as we all work toward a just world. My heart is open, my mind is curious and my hearing aids are turned up to hear the ways you want to change the world. I will be with you on most Sundays and Mondays from September to June. Let's begin again with fierce hope and radical love!

that to the PC restricted account, that will give us a balance of about \$62,000.

Budget 2017-2018

Discussion about:

Allocating \$10K when Rali is away

Putting money aside for intern- amount for Donna? \$5000 was mentioned and deemed a fair amount

New Business

Cindy concerned that employees working to cover special events such as funerals etc. should have this

Pay included in their monthly pay and subject to withholding etc. One way to get around this would be

to have users pay the people directly( i.e. Linnea and Grace) However, the Building Use form would have to be changed. Cindy will check with our payroll accountant about this matter.

Discussion about Building Use

Who is in charge of building use and facilitating-Grace is sort of overseeing Building Use Committee - Deacons and PC chairs?
